

Remote Work & Work From Home (WFH) Policy

Policy No: POL-IT-004 | Version: v1.6 | Department: HR & IT Department | Effective: March 17, 2026

1. PURPOSE

This policy governs the use of IT resources by employees working remotely or from home. It ensures that remote work arrangements maintain productivity, security, and compliance with organizational standards.

2. SCOPE

This policy applies to all employees approved for remote work arrangements, including full-time remote workers, hybrid employees, and those working remotely on an ad-hoc basis.

3. TABLE OF CONTENTS

Section	Title
4	Eligibility & Approval
5	Equipment & Technology
6	Security Requirements
7	Communication Standards
8	Workspace Requirements
9	Performance & Availability

4. ELIGIBILITY & APPROVAL

- Remote work eligibility is determined by job role, performance history, and manager approval.
- Employees must submit a formal WFH request through the HR portal at least 48 hours in advance for ad-hoc requests.
- Permanent remote/hybrid arrangements require written agreement signed by the employee, manager, and HR.
- Remote work privileges may be revoked if performance, security, or compliance issues arise.

Note: First 30 days of employment are typically on-site to facilitate onboarding and team integration.

5. EQUIPMENT & TECHNOLOGY

5.1 Company-Provided Equipment

- Employees working remotely will be issued a company laptop, required software licenses, and VPN access.
- Company equipment must be used primarily for work purposes.
- Damage to company equipment must be reported within 24 hours.

5.2 Personal Devices (BYOD)

Personal devices may be used with IT department approval and must comply with the BYOD policy (POL-IT-008). MDM (Mobile Device Management) software must be installed on any personal device used for work.

5.3 Internet Connectivity

- Employees are responsible for a stable internet connection (minimum 25 Mbps recommended).
- Company does not reimburse home internet costs unless specified in the employment contract.

6. SECURITY REQUIREMENTS

- VPN must be connected whenever accessing company systems, applications, or data remotely.
- Company devices must have up-to-date antivirus software and OS patches applied.
- Multi-Factor Authentication (MFA) is mandatory for all remote sessions.
- Screen lock must activate after a maximum of 5 minutes of inactivity.
- Sensitive documents must not be printed at home without manager approval.
- Company data must never be stored on personal cloud services (Google Drive, personal Dropbox, etc.).
- Video calls containing sensitive information must use company-approved platforms only (MS Teams, Zoom Enterprise).

7. COMMUNICATION STANDARDS

7.1 Availability

Remote employees must be reachable during core business hours (9:00 AM – 6:00 PM IST) via phone, email, and MS Teams. Response time expectation: email within 2 hours, chat within 30 minutes.

7.2 Meetings

- Camera-on is expected for all scheduled video meetings unless prior exemption is granted.
- Use a professional, clutter-free background for video calls.
- Mute microphone when not speaking to minimize background noise.

7.3 Status Updates

Daily standup participation (physical or virtual) is required. Teams/Slack status must reflect actual availability throughout the workday.

8. WORKSPACE REQUIREMENTS

- Remote workspace must be quiet, private, and free from distractions during work hours.
- The workspace should have proper ergonomic seating and adequate lighting.
- Family members and visitors should not be visible or audible during professional video calls.
- Confidential conversations must not be held where they can be overheard.
- The company is not responsible for home office setup costs unless specifically agreed upon.

9. PERFORMANCE & AVAILABILITY

- Remote employees are held to the same performance standards as in-office employees.
- Attendance at mandatory in-office days (if hybrid) is non-negotiable.
- Time tracking tools or reporting mechanisms required by the team must be used consistently.
- Taking personal errands, appointments, or breaks must not impact business deliverables or meeting attendance.

Note: Repeated unavailability or performance issues while on remote work arrangements may result in revocation of WFH privileges.
